Anyone picking up children may be asked to present proof of identification and must be listed as an authorized person to pick-up the student on the student's release form, a copy of which is kept on file in the office of both buildings.

When picking up students, parents must sign out the children with the supervising aftercare staff on duty. Once a student is signed out, he/she must leave the school grounds.

I have read the Ecole Bilingue Before/Aftercare program instructions for parents and students for the 2019 summer camp. If my child is not picked up by 5:30 pm at the Elementary building (821 General Pershing St.), I understand that I will be charged late fees (\$5 late fee + \$1/minute). I understand that my child could be kept from attending before/aftercare if payment for such is not kept current. This decision is left to the discretion of the Administration. I fully understand and will adhere to all rules and regulations regarding payment of before/aftercare services.
