

Tuition Assistance

Tuition Assistance is available to students entering Kindergarten/Grande Section through 8th grade / 4^{ème}. Grants are awarded based on financial need.

Families should indicate interest early in the enrollment period in January. Applications are filed through the Tuition Assistance Plan, which can be found at www.tads.com. The Tuition Assistance Committee considers recommendations provided by TADS to make all final award determinations.

Tuition assistance is granted on an annual basis. Returning families must reapply each year. Grant funding is limited; therefore, it is important to apply for tuition assistance as early as possible.

Tuition Assistance awards can range from 5% of tuition to 75% of tuition. Financial awards cover tuition only and do not include any fees (supplies, books, facilities, lunch, insurance, afterschool programs or clubs, out-of-town trips, before or aftercare, etc.), all of which must be paid in full by the family.

Application deadlines:

- January 6, 2020: TADS application opens
- January 24, 2020: Re-enrollment contract due with \$2,000 per child non-refundable and non-transferable tuition installment
(If you have submitted an application for assistance and your application status is labeled as "GOOD", the non-refundable and non-transferable tuition installment is reduced to \$1,000 per child)
- March 30, 2020: Non-refundable and non-transferrable school fees are due.

Tuition Assistance applications will be reviewed once the TADS application status is labeled "GOOD" and all documents have been received.

(Do we have a 10 business day waiting period before receiving the information?)

Final award notification will be provided within two to three weeks after the completed application has been submitted. If an application is not approved for an award by the Tuition Assistance Committee, families will be responsible for the entire tuition amount.

Acceptance of a financial award is only confirmed by returning a signed copy of the award determination letter within 10 business days following receipt of the award letter.

Please be advised that all financial information is held confidential by the Financial Assistance Committee and business office personnel. Families are required to keep financial awards private. Ecole Bilingue reserves the right to revoke the awarded amount if false or inaccurate information is provided.

Ecole Bilingue admits qualified students of any race, color, gender, religion, national and ethnic origin to all the rights, privileges, programs and activities to students at the school. It does not discriminate on the basis of race, color, gender, religion, national and ethnic origin in the administration of its educational and admissions policies and other school-administered programs.
