We appreciate everyone's support as we continue to transition our online payment platforms. The shift in our platforms will lead to a streamlined system that is efficient and offers greater accessibility for both our staff and our families. If you have any questions regarding charges, payments or the platforms, please contact Bookkeeper [Meagan Lanier](#).

EZ School Apps

Used for student lunch and extended care transactions, as well as billing. *EZ is the preferred payment method for lunches and extended care.*

- Families are able to view their student accounts, transactions and payment history.
- This is also where you pay Extended Care registration fees.

To Get Started with EZ:

All parents can login to their EZ accounts after August 11, 2022

Link: <https://www.ezschoolapps.com/ParentLogin.aspx>

Returning parents: your username is your email address you provided to the school and your password is the same as 2021-2022.

First time logging in: Click "Forgot Password" to reset your password first. The email you provided to the school has been pre-registered on the system for you; or click "Sign Up"

- o Note: there is not a mobile app for this but it is mobile friendly

Processing Fees:

- Please make payments via ACH when possible. EB absorbs the processing fees but we ask that you consider using ACH/Debit Cards, as the processing fees are lower than if you used a credit card.
- After January 1, 2023
 - o ACH is free for parents
 - o Credit card charges that are less than \$50: Two dollars and 25 cents (\$2.25) per transaction
 - o Credit card charges greater than \$50: three percent (3%) plus 50 cents per transaction

Important Extended Care Policies and Fine Print

- If you do not purchase a monthly or annual package, you will automatically be charged the daily rate. There is no need to “pre-pay” for stays.
- For the 2022-2023 school year, drop-ins are welcome. Any child who participates in extended care must first pay the \$35 registration fee, but there is no longer a need to register in advance for extended care. Due to staffing and COVID-19 protocols, this is subject to change with advance notice.
- Monthly packages must be purchased in advance – by the 25th of the previous month – otherwise the daily rate will be charged.
- After care ends at 6 p.m. sharp. Parents will be billed at \$2 per minute per child after 6 p.m.
- Late fees will be assessed each month per child for any balances outstanding for more than one month. Fee is \$10 for balances of \$100 or more or \$5 if balance is less than \$100.

FAST TRACK - if you would like to sign up for a *Semester* or *Annual Plan* for extended care, please pay through [Whitney Quickpay](#) and include the \$35 registration fee as well.
