

## Tuition Assistance

Tuition Assistance is available to all EB families who qualify. Assistance awards are calculated based upon financial need and budget availability. Applications are submitted and processed through the Financial Assistance system through TADS (<https://mytads.com/a/ebnola>). The EB Tuition Assistance Committee considers the calculations and recommendations provided by TADS to make final award determinations. Applications must have a “GOOD” status in TADS in order to be reviewed by the Committee.

Ecole Bilingue strives to meet 50%-75% of a family's demonstrated need and is dependent on calculations provided by TADS and individual circumstances. **Tuition Assistance awards are applied to tuition only** and may not be applied to school fees or other school costs such as supplies, lunch, afterschool programs, or school trips (these must be paid in full by each family).

Tuition Assistance is awarded on an annual basis. Returning families must reapply each year, however the amount of awards typically stay the same unless a family's financial situation changes significantly.
