

TUITION ASSISTANCE

HOW TO APPLY

Tuition assistance awards are calculated by financial need and budget availability and are available to all families who qualify.

How to apply

Applications are submitted and processed through TADS, a Financial Assistance system.

Apply online: <https://secure.tads.com/Accounts/Login.aspx>

- ▶ Select "Financial Aid Assessment Tab"

The EB Tuition Assistance Committee considers the calculations provided by TADS to make award determinations. Applications must have a "GOOD" status in TADS to be reviewed by the committee.

Amount

Ecole Bilingue strives to meet 50-75% of demonstrated need. Tuition Assistance awards are applied to tuition only and may not be applied to other school costs such as supplies, lunch, afterschool programs or school trips (these must be paid in full by each family).

Tuition Assistance is awarded on an annual basis. Returning families must reapply each year; however, the amount of awards typically stay the same unless a family's financial situation changes significantly.

Important Dates

- **October:** Applications open in TADS
- **January:** Re-enrollment contract is due with a \$2,200 per child non-refundable and non-transferable tuition installment (reduced to \$1,000 for families who submitted a tuition assistance application in TADS)
- **April 1:** Non-refundable and non-transferrable school fees are due for all families

All financial information is held confidential by the Tuition Assistance Committee and business office personnel. Families are required to keep financial awards private. Ecole Bilingue reserves the right to revoke the awarded amount if false or inaccurate information is provided.
